

URBANA HIGH SCHOOL

IRON HAWKS MENTORING PROGRAM

PROGRAM SUMMARY

IRON HAWKS is a mentoring program between current high school teachers/coaches, students, and future Urbana HS students. We create a positive and safe environment. Each student is treated equally with a primary focus on discipline, self-esteem, character, team building, leadership, and brotherhood.

IRON HAWKS believes a strong student-athlete will win on the field and in the classroom. Our athletes must be prepared for the demands of competition – mentally, spiritually, and physically. Speed, explosiveness, and agility are only one part of what makes a champion. Athletes must be prepared with a mental toughness that helps them persevere under pressure.

The **IRON HAWK** tradition is very special in the Urbana community that extends over 10 years. Many former Urbana High School student-athletes refer to the **IRON HAWKS** program as one of the most memorable experiences in their high school career.

The **IRON HAWKS** program believes in the **F.A.M.I.L.Y.** value. The acronym stands for Forget About Me I Love You. We strive to teach our athletes that the successes of our fellow Iron Hawks, teammates, friends, etc. are more important than the success of the individual. By teaching this value of selflessness, we believe an individual grows in all aspects of his life.

IRON HAWKS sessions are supervised and instructed by experienced coaches from the football staff at Urbana High School including head varsity football coach, Brad Wilson.
